MIDEAST PIPELINE PRODUCTS

AN ISO 9001 : 2015 CERTIFIED COMPANY

Long Radius Bend

Curved fitting for changing pipe direction.

Size range: ½" to 48"

Elbow

Fitting for changing flow direction.

size range: ½" to 48"

Reducer

Fitting for reducing pipe size.

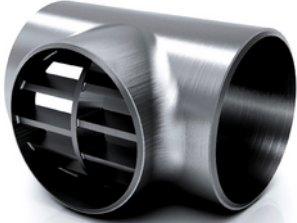

size range: ½" to 48"

MIDEAST PIPELINE PRODUCTS

AN ISO 9001 : 2015 CERTIFIED COMPANY

Barred Tee

Tee with bar to prevent pigging tool entry
size range: 2" to 36".

Reducing Tee

Three-way fitting with one smaller outlet
size range: ½" to 48"

Equal Tee

Three-way fitting for splitting or combining flow
size range: ½" to 48".

MIDEAST PIPELINE PRODUCTS

AN ISO 9001 : 2015 CERTIFIED COMPANY

Flange WNRF

Flange with a raised face for high-pressure applications. size range: ½" to 48"

Flange SWRF

Fitting for reducing pipe size
size range: ½" to 48".

Spectacle Blind Flange

Dual-disc flange for isolating piping systems.
size range: ½" to 48".

Blind Flange

Flange for sealing the end of a piping system.
size range ½" to 48".

MIDEAST PIPELINE PRODUCTS

AN ISO 9001 : 2015 CERTIFIED COMPANY

Globe Valve

Valve for throttling flow in a pipeline.
size range: ½" to 24"

Check Valve

Valve to prevent reverse flow in piping systems
size range: ½" to 48"

Plug Valve

Valve for stopping or regulating flow.
size range: ½" to 24"

Ball Valve

Valve with a spherical disc for on/off control.
size range: ½" to 48"

MIDEAST PIPELINE PRODUCTS

AN ISO 9001 : 2015 CERTIFIED COMPANY

Weldolet

Fitting for branching from larger to smaller pipe.
size range: ½" to 48".

Sockolet

Socket weld fitting for branching from larger to smaller pipe.
size range: ½" to 24".

Insulating Joint

Joint for preventing electrical conductivity between sections.
size range: ½" to 48".

MIDEAST PIPELINE PRODUCTS

AN ISO 9001 : 2015 CERTIFIED COMPANY

Gasket

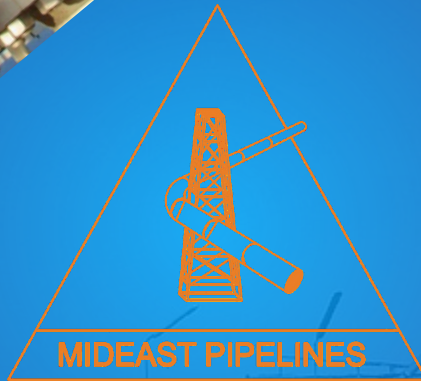

Sealing material placed between flanges.
size range: Custom sizes available.

Fastener

Hardware for securing flanges or fittings.
size range: Custom sizes available.
